Azumi's plated finishes are of the finest materials and workmanship, and are covered under this warranty relative to manufacturing defects only. There is no warranty against deterioration due to perspiration, acid, corrosion, atmosphere, wear and tear or other external causes.

Corks, springs, pads and other parts subject to normal wear have no warranty coverage.

The remedies of defects covered under this warranty are at the expense of Azumi and shall be completed within a reasonable amount of time. Authorized dealers should contact Azumi for instructions before returning instruments for warranty service. Azumi will be the sole judge as to cause of damage or defects and be responsible for repair. The repair of an instrument shall constitute a settlement in full of all claims for damages and shall operate as a release of such claims for damages arising out of the warranty by both the buyer and Azumi.

This warranty excludes all consequential damages. It does not cover damages resulting from accident, misuse, normal wear and tear or tampering. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights. You may also have other rights which vary from state to state.

Contact Azumi if you have any additional questions about authorized Jupiter representatives or about your warranty.
